25X1 [REDACTED] In the absence of Mr. Jay Sourwine, I informed Mr. Frank Schroeder, Chief Investigator, Senate Special Subcommittee on Internal Security, that we had no record on a publication by Che Gueverra entitled "The Destruction of the United States" which allegedly carries plans to carry out that destruction and is used for a text for advance students at the Technical Institute of Marxism in Havana. Information on this had been received from [REDACTED] of WH Division.
